

Graphic Design Internship

Gottathink is seeking to fill a part time position for graphic design in our design group. Candidates must be self-motivated with good communication skills.

Job tasks will include:

- Branding design
- Website design.
- Print material design

Candidates should have a working knowledge of the following tools:

- Adobe Photoshop
- Adobe Illustrator
- Any FTP client

Our application process consists of:

1. Electronic submission of resume and portfolio to us.
2. Top students will be selected to participate in a short design test.
3. Phone interviews of top candidates.

We will definitely consider remote candidates.
